

## TIGHT COMES TO LFC

Before he was the self-proclaimed 'winningest coach in LFC history' Joel Kane was a simple kid from Indiana who just happened to help manage the world's only all-girl porn star rock band for his famous cousin Bree Olson. See the incredible true account of the band's first - and only - tour in what the New York Post called 'the best rockumentary since Spinal Tap'. Tight debuts on our site August 10 with new episodes every other week.

## JOLENE HEXX GRABS TOP SPOT

No surprise that Jolene 'The Valkyrie' Hexx finds herself atop the latest LFC Power Rankings after winning the Booty Camp Champ title at LFC36 and becoming the first fighter in LFC history to have all three titles at once. Nipping at her heels is Lauren 'The Animal' Fogle

who climbed three spots thanks to another win at LFC36 - her 7th in a row. Bella Ink moved up two spots into third following her LFC36 win while Sheena 'The Hungarian Hurricane' Bathory debuts on the list after starting her career 2-0 with a pair of decisive wins at LFC35 & LFC36. Salina de la Renta rounds out the top 5, dropping 2 spots for not defending her title at LFC35 but remains a threat.

## **FORMER LFC CHAMP RETIRES**

Finally it is with sadness we report the retirement of Danika 'Dani' Della Rouge. The veteran fighter debuted with us at LFC30: Born To Be Wild at the Sturgis Motorcycle Rally where she won the vacant LFC title versus Shay Mazzato. Della Rouge was excited to defend her

title but unfortunately never got the chance as she suffered a serious injury during training. She tried to come back several times but the injury never healed properly and she was forced to announce her retirement last week. We'll miss her and always wonder what might have been.
