LFC TAKES AIM ON CHINA

LFC recently signed a deal with Link Asia to distribute its entire library on various Chinese networks and platforms. This will open up a massive new market for LFC who are also in talks to do shows in Macau (often described as Vegas on steroids). One of LFC's newest prospects is Chinese MMA fighter Lana Mae (pictured).

FIGHTER SPOTLIGHT: TERI LONDON

It would be hard to find a fighter who has had a bigger impact on LFC than Teri 'Fiesty Fists' London. One of the longest serving fighters (she debuted at LFC19), London has left her fingerprints all over the league. London is the first fighter to referee an event (LFC30) and

was scheduled to reprise that role at LFC37 when a training injury sidelined Lauren Fogle and left us one fighter short. When Lodon heard she immediately volunteered to take Fogle's place, fighting on just a few days notice. The most recent episode of our podcast features, who else, Teri London! Available exclusively at www.LFCfights.com.
