TERI LONDON vs MIA ANNABELLA

Mia ‘Mayhem’ Annabella takes a moment to pose for our ringside photographer as she submits Teri ‘Feisty Fists’ London at LFC34. It was Mia’s third fight in as many days but you’d never know it. The Sturgis Motorcycle Rally audience appreciated the efforts of both women in this battle for Florida bragging rights (Mia hails from Miami, Teri from Orlando). BELLA MADISYN vs SHEENA BATHORY

Sheena ‘The Hungarian Hurricane’ Bathory takes Bella ‘Rebel Princess’ Madisyn for a spin at LFC37. The event took place in Las Vegas at the famous Sapphire Showroom. And it just happened to be Valentine’s Day (can’t you feel the love between these two?)

JOLENE HEXX vs SHELBY PARIS

Jolene ‘The Valkyrie’ Hexx unveils what has become her signature finishing move vs newcomer Shelby ‘The Panther’ Paris at LFC31. Some call it the ‘face sitting submission’ while others call it the ‘booty bomb’ but whatever you call it there is no question it has been effective and has helped Hexx become the LFC’s first ever three belt champ. SERINA KYLE vs DANIELLE ST. PIERRE

Serina ‘Honey Punch’ Kyle attempts to mount Danielle ‘Cow Belle’ St. Pierre at their LFC25 re-match. Although she had won the previous contest, Kyle found GSP’s cousin a little more seasoned this time around and had her hands full with the Canadian model turned fighter.

LAUREN FOGLE vs COURTNEY PEMBERTON

Lauren ‘The Animal’ Fogle will take any advantage she can get but trying to choke newcomer Courtney ‘Coco Loco’ Pemberton with her stocking at LFC36 may have crossed the line. But not even a point deduction could save Pemberton from an inevitable loss to the veteran Fogle whose motto seems to be ‘if you aren’t cheating, you aren’t trying’! HOLLY MEI vs AUDREY MONIQUE

Before she was the LFC Prez, Holly 'The Lotus' Mei was an accomplished fighter willing to take on all comers. At LFC21 in Nice, CA Mei celebrates a win over Audrey 'The Mongoose' Monique who seems in disbelief. She would later accuse Mei of cheating as the future Prez may have taken advantage of Monique's easy to untie lingerie. Photograph by Ethan Miller (Getty Images)

JOLENE HEXX vs FEATHER HADDEN

That shapely posterior belongs to none other than Feather ‘The Hammer’ Hadden who many consider to be the ultimate LFC champion. And underneath her? That’s future champ Jolene ‘The Valkyrie’ Hexx in her LFC debut. This LFC20 main event went down at the Hard Rock Resort & Casino in Las Vegas. Photograph by Ethan Miller (Getty Images)

NILKA GARCIA vs MONICA GARCIA

Former champ Monica ‘Flowerbomb’ Garcia was looking to get back in the win column when she took on Nilka ‘La Rosa’ Garcia (no relation) at LFC30. From the opening bell, Monica was in championship form and submitted the Puerto Rican native with a deadly armbar. It was the LFC’s first event at the world famous Sturgis Motorcycle Rally. JENEVIEVE HEXXX vs BELLA INK

Bella Ink prepares to lower the boom on Jenevieve ‘The Sorceress’ Hexxx under the bright lights of Fremont Street in Las Vegas at LFC27. Both fighters checked three of the four boxes that night: sexy, inked and curvy. But ultimately Ink came out on top and picked up her first win in two LFC tries.

ROXY MICHAELS vs RAYA RYANS

LFC22 was our first ever Halloween event and saw the girls fighting in sexy costumes rather than their usual lingerie. The fifth bout of the night saw Roxy ‘Roundhouse’ Michaels (sexy school girl) take on Raya ‘Sugar Ray’ Ryans (sexy sailor) in what many still consider one of the greatest fights in LFC history. It certainly didn’t disappoint the New Town, ND audience. Photograph by Ethan Miller (Getty Images)

TERI LONDON vs JOJO HAMNER

Teri ‘Feisty Fists’ London really felt the 3D as newcomer JoJo ‘The Hammer’ Hamner drives her into the turnbuckle at LFC35. Not only was it the LFC’s first 3D event, it was also the first event with a live audience following the pandemic. The energy inside FSW Arena in Las Vegas was off the charts.

HOLLIE DUNAWAY vs BELLA ROCKAFELLA

What better way to finish 2024 than to highlight one of the most shocking finishes in LFC history? Boxing hall of famer and 4x world champion 'Hotstuff' Hollie Dunaway made her LFC debut at LFC37 where the LFC rule forbidding stand-up strikes to the face was thought to put her at a severe disadvantage vs Bella Rockafella. To say Dunaway found a creative way around the rule is putting it lightly! Lights out. Photo by Richard Anber (LeRegard Photography)

COVER - LFC31: BOOTY CAMP 2

SALINA vs KATIE FORBES

Our cover features Salina landing an illegal blow to the face of Katie 'The Bombshell' Forbes during the main event of LFC31. Somehow the ref missed it and Salina went on to record a split decision victory that didn't sit well with Forbes and set up their LFC37 re-match.
