

SPEND VALENTINE'S DAY WITH LFC IN VEGAS

LFC'S 2024 season kicks off on Valentine's Day with LFC38: Angels & Lil Devils in Las Vegas. Armed with a new attitude - and a new principal sponsor - this show promises something for everyone. Half the bouts will feature beautiful women fighting in lingerie. The other half will feature beautiful women fighting in sexy cosplay costumes. #1 prospect Rylee Jade will make her long-awaited debut all the way from Hong Kong. And LFC's newest team - Team Loyal Fans (formerly the Blue Team) -

will make their debut with a star-studded line-up. Tickets and PPV are available at www.LFCfights.com.

SARAH WOLFE: FROM REFEREE TO FIGHTER

LFC fans will recognize the lovely Sarah 'The Rebel' Wolfe as the head-turning referee from LFC35 and LFC37. At LFC38: Angels & Lil Devils, Wolfe will trade in her stripes and whistle for a pair of (pink) gloves and a sexy cosplay costume. While it will be her first fight for LFC, Wolfe is no stranger to the fight game, compiling an impressive 14-4 record elsewhere. We're very excited to welcome Wolfe to the ranks of LFC fighters and expect a good clean fight from the former ref!

LFC'S FLORIDA INVASION CONTINUES

Last year LFC relocated their Booty Camp developmental gym from Topeka, KS to Orlando, FL. So it stands to reason that Florida events would soon follow. On February 24, just 10 days after LFC38, LFC returns to action with LFC39: Goddess Among Us at Secrets Hideaway Resort & Spa in Kissimmee, FL. Featuring some of Florida's hottest fighters as well as fighters from around the world, LFC39 will be a guaranteed crowd pleaser. And as though 12 beautiful women fighting in lingerie wasn't enough, the event will be followed by the launch of the casting site for Goddess Among Us: The Search for the Most Beautiful Woman In the World. Tickets to LFC39 and the after party are available at www.LFCfights.com

AVERY RYDER: FROM INFLUENCER TO FIGHTER

One of the prospects making their debut at LFC39: Goddess Among Us is Avery Ryder, a model and social media influencer. Although you'd ever know it looking at her today, Ryder says she was a chubby kid who got bullied a lot in school until she started standing up for herself in the playground. Seems she had a knack for fighting and soon no one dared pick on her. She also got really, really hot along the way! Looking forward to her LFC debut at LFC39 where she takes on Bella Rockafella of Team Loyal Fans (her fifth team in five fights but who's counting?)
