## LFC38 CHEEKIEST EVENT EVER?

Queen immortalized thicc posteriors in their hit song Fat Bottomed Girls and LFC38 took it one step further. The Valentine's Day event saw several fighters with ample... assets... entertain an appreciative audience. From the opening bout to the main event, shapely bottoms were on full display. In fact, when Katie 'The Bombshell' Forbes was given the opportunity to choose her own opponent in the LFC's first ever open challenge she didn't hesitate to pick the one fighter who's rear end rivals her own: Bella 'Goddess of

Chaos' Madisyn. But not everyone was happy about it as Bella and Coach Leon Hater got into it after the bout. See the full uncensored event at [www.LFCfights.com](http://www.LFCfights.com)

## **NEW FIGHTER HAS BIG IMPACT**

Milah Romanov is not your typical lingerie fighter. Tipping the scales at 185lbs, she is, in fact, the heaviest fighter to ever compete at an LFC event. A last minute replacement for Italian star Bianca Blance who had to drop out of LFC39 with an injury, Romanov didn't have much time to get in shape. And frankly we're not sure fans would want her to if the comments on YouTube are any indication. LFC has always prided itself on casting women of all different shapes and sizes - variety is the spice of life, after all. Check out the uncensored event at [www.LFCfights.com](http://www.LFCfights.com)

and pay special attention to Romanov vs Mia Annabella in the 2nd bout.

## **TOPLESS BELLA INK TOPS VERONIKA VALENTINE**

The upcoming episode of LFC's wild reality series, LFC: Exposed!, goes deep behind the scenes of Ink vs Valentine at LFC35: Booty Camp 3D. Ink, who would fight naked if allowed, opted for a tiny bit of modesty in the form of pasties as she took on newcomer Veronika Valetine (Jenny's older sister). That night the pasties stayed in place (mostly) which cannot be said for the recent LFC39 where Ink once again fought topless, once again fought a Valentine (Jenny rather than Veronika) and once again didn't care one bit whether the pasties stayed in place or not (spoiler alert: they didn't!) The new episode drops May 15 exclusively at [www.LFCfights.com](http://www.LFCfights.com) and the uncensored LFC39 is available now.
