

LFC'S FIRST UK EVENT SHATTERS PPV RECORDS

LFC's first ever UK event, LFC43: Sindependence Day 2, reached a record audience for the company, nearly doubling the best PPV numbers recorded previously. The night got off to a great start with an energetic weigh-in hosted by Love Island star A.J. Bunker and only got better from there. Although

Team USA failed to defeat Team UK, winning only 3 of the 7 bouts, Jolene 'The Valkyrie' Hexx held onto the European title with a win over Mel Fire. If you missed the live PPV on July 4, you can still see the uncensored replay exclusively at www.LFCfights.com.

OWN A PIECE OF LFC HISTORY

If you watched LFC43 you no doubt noticed the snazzy new gloves the fighters were wearing. Designed by Rival Boxing Gear, the Team USA gloves feature a bald eagle and the Stars &

Stripes while the Team UK gloves feature a lion and the Union Jack. After the event we had each fighter autograph the gloves they wore and for the first time ever we're making them available for purchase on our site at www.LFCfights.com.

CARDIFF, WALES EVENT DROPS AUGUST 15

Just two nights after our London show, the fighters were back at it in Cardiff, Wales for LFC44: Underground Knockouts. Highlights include a high octane title fight between long-time rivals Bella Ink and Jolene Hexx, a very bloody match between a pair of undefeated Italian fighters in Pamela Strong and Angelica Ko and an instant fight of the night candidate featuring

hometown hero Nadia Sapphire and Eva Leigh. The uncensored event will be available exclusively at our site August 15 - you definitely don't want to miss this one!

LFC UP-LISTS FROM OTC PINK TO OTCID

After nearly two months of review by OTC Markets, LFC has successfully up-listed to the newly created OTCID market. Among the criteria LFC had to meet, the company had to be fully SEC reporting, be in good standing with all state and federal regulators, retain a recognized Transfer Agent and file a Company Verified Profile and Management Certification with OTC. The up-list was approved on July 30 and will give investors increased confidence in the company.
